

WELCOME BACK TO THE KINGHAM PLOUGH

BOOKINGS AND ARRIVALS

We are currently taking bookings at the pub from Monday 12th of April onwards. Phone lines may be busy so where possible, we suggest you make your booking online or via the link on our website.

There is a maximum booking of 6 per table and we ask that you do not move the tables please

We will only be taking reservations for tables for tables in marquee, not in inside the pub. There will be table service but in line with current social distancing measures, our staff will be doing their best to maintain a safe distance. All our menus are one use only and will be disposed of after each use. Also, all tableware would have had enhanced cleaning prior to every seating.

Tables on the terrace and in the garden are on a 'first come first serve basis'. Please wait to be seated.

LOOS

Our toilets remain open but there is a strict policy of one guest at a time.

OUR STAFF AND SUPPLIERS

We are committed to the safety of all our staff and guests, and we are communicating regularly with all our key suppliers to make sure that they also meet our high standards of health and hygiene. Every member of staff has been trained prior to reopening in all new health and hygiene related procedures and we have taken all steps necessary to adhere to the Government's COVID-19 Secure Workplace Guidelines. All staff members have a daily health check when they arrive on site and we provide all necessary PPE especially to those team members working in the kitchen. There will be a Senior Manager on duty at all times who is our designated, responsible contact person for all staff and guest COVID-19 related queries.

SAFETY DECLARATION

For the safety of our guests and staff, we kindly request that you do not come to the pub unless you, your guests and household are fit and well and symptom free and that you have not been in contact with someone with COVID.

Kind Regards

Kingham Plough
